TFSI  
quattro

A close-up photograph of the rear quarter panel of a silver car. A large, multi-lens red taillight is visible in the upper right corner. Below it, a silver badge with the text "TFSI" in large letters and "quattro" in smaller letters on a separate bar is mounted. The car's body is a light silver color, and a dark blue or black trim piece is visible at the bottom. The background is a bright, overexposed outdoor setting.
